

SMITHTON SCHOOL BUS STOP CHANGES

From the start of school in 2017 the pickup and drop off points for Edith Creek, Forest and Stanley Primary Schools will change from Smith Street (Smithton Club) to Grant Street (Smithton Primary School). This is a safety initiative on behalf of Tasmania Police, Circular Head Council, Wells Waggon, The Department of State Growth Passenger Transport and CRSP

THE REASONS FOR THE CHANGES ARE:

- To reduce congestion
- Safer alternative
- Parking available in the Parent Car Park at the Smithton Primary School.

Pickup and drop off times will remain the same.
Affected families will be supplied information on the changes.

* Changes do not apply to the Marist and Hellyer Buses
