Montagu Park Operator and Opening Date Announced

River Breeze Caravan & Cabin Park are the new operators of the Montagu Park Recreation Reserve. Montagu Park will be open for camping from Saturday 23 November 2019.

River Breeze Caravan & Cabin Park are the new operators of the Montagu Park camp grounds. River Breeze currently operates a Caravan and Cabin park on Montagu Rd Smithton.

A 2-year deal has been signed, securing the future of the Montagu Park site in the short term.

During October and early November, the grounds were closed due to unexpected tree maintenance. This regrettably delayed the opening of the season.

General Manager Scott Riley said: "We are pleased to announce that Montagu Park will be open for camping from this Saturday 23 November and wish the River Breeze operators all the best for the coming season".

Bookings can be made by calling 6452 1181 (8.30am – 6.30pm) or 0418 528 597 after hours.
