

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 1 MAY 2018

ANZAC Day ceremonies were again held last week with large numbers attending all services. The highlight was the attendance of Ted Pyke at both the dawn service as well as the 10.30am service at Smithton, a great effort Ted. Again all our schools in district had representatives during the day and participated in some way at all services. Many of these students did a large amount of work researching stories to share with us during the day. The importance of this day was again highlighted at all venues so I would expect ANZAC Day will continue to be supported for many years to come.

Last Monday I again attended the ANZAC Day service at Emmerton Park aged care facility so those who could not attend on Wednesday the opportunity to participate. The room was again filled to capacity thanks to Bruce for organising this event.

Again this year local racer Sam Spinks has enjoyed a successful year racing his speed boat at many venues around the state. On 5 May Sam will compete in the final race of the season, which will determine whether he will be the State champion. I wish him all the best at this event to be held in Launceston.

A reminder that we have eight medical students from the University of Tasmania currently staying in Circular Head for the state-wide Rural Week program. Yesterday they were officially welcomed at the Council chambers and will be visiting a number of other places throughout the week, so please say hello if you see them around town. I hope this will be a valuable experience for them and that they enjoy their time in Circular Head.
