

## CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 24 JANUARY 2019

After some time without a regular column, I'm glad to recommence the Mayor's Message for our community in 2019. I hope you've all had a good break and had a chance to enjoy some time with family and friends over Christmas and New Year.

We have quite a busy time coming up, starting with our Australia Day events this weekend. Firstly we have the Awards night on Friday at the Hall of Fame from 6pm-8pm, where our Australia Day Citizens of the Year will be announced. Our Australia Day ambassador, Robert Ravens from Bridestowe Lavender Estate will also speak at this event. Then on Australia Day we have our usual Twilight on the Duck festival at West Esplanade from 4pm-10pm. This is always an enjoyable event and is cheap for families, so I hope to see the community come out and support it.

Next Tuesday 28 January there will be an Arthur Pieman forum at the Arthur River Fire Station at 11am. If you have concerns or ideas about the management of the area, this forum is an open opportunity for anyone interested to speak to Arthur Pieman Management Committee members, ask questions and share their concerns and solutions.

On Friday 1 February I will be presenting the annual Mayor's Education Fund bursary at a special Circular Head Celebration of Education event. The Mayor's Education Fund is a scholarship to assist young people from Circular Head in undertaking further study. The Soroptimist International of Circular Head and the Rotary Club of Smithton will also be presenting scholarships on the day. The Celebration of Education is at the Circular Head Community & Recreation Centre Hall of Fame on Friday 1 February at 11am. If you'd like to attend this. Please RSVP by Monday 28 January to Amber Power at Circular Head Council 6452 4864 or [apower@circularhead.tas.gov.au](mailto:apower@circularhead.tas.gov.au)

CIRCULAR HEAD COUNCIL

Finally, we will shortly be starting a new school year as the school holidays come to an end. As we live in a rural area with the majority of our students being picked up on school buses, I would like to remind motorists to be extra careful while students are being picked up or dropped off. Some of these students are very young with this year being their first year at school and not being aware of the dangers of passing vehicles.
