Circular Head Draft Local Provisions Schedule (LPS)

EXHIBITION NOTICE - INVITATION FOR WRITTEN REPRESENTATIONS

The Circular Head Council invites written representations on the relevant exhibition documents in relation to the Circular Head draft Local Provisions Schedule (LPS). The Tasmanian Planning Commission (the Commission) has directed the planning authority to publicly exhibit the Circular Head draft LPS under section 35B of the *Land Use Planning and Approvals Act 1993* (the Act).

Representations must be related to the matters listed under section 35E of the Act and not be to the effect that the content of the State Planning Provisions should be altered.

The LPS must contain the particular purpose zones, specific area plans, site-specific qualifications and code-applying provisions that are included in the draft LPS by reason of the transitional provisions of Schedule 6 of the Act. Any matter contained in a representation that seeks to exclude one or more of those provisions will not be taken to be a representation.
