

## **CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 15 MAY 2018**

It is now only four months until nominations are called for the next Council elections, which will be held later this year. These elections will determine the Councillors, Mayor and Deputy Mayor for Circular Head for the next four years. With this in mind Local Government of Tasmania is running evenings for those considering standing for Council for the first time to give some advice what is required and answer any questions prospective candidates may have. On the North-West Coast the session will be held in Ulverstone on the 5th of June starting at 6pm. I will be attending this event and am happy to take anyone interested in this event with me. Please call me on 0408 543 927 if you need a ride. In the meantime, I am keen to hear from anyone who is thinking about standing for Council. It would be great to see more women and younger people putting their names forward to bring some new ideas to Council.

A Community Health and Wellbeing Plan 2018-2023 is currently under development by both the Circular Head and Waratah-Wynyard Councils. EJ Shu is working with staff across both Councils and service providers on both the consultative phase and to produce a draft plan for comment. Around 30 people attended a consultative session at the Rocky Cape Tavern last Tuesday, where a number of issues and ideas were discussed and documented. Participants were then invited to place their allocated number of coloured dots on what they thought were the most compelling issues facing our community. I look forward to hearing more about this and the development of the plan.
