

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 21 MARCH 2019

This Saturday 23 March the Council in partnership with CHAC and the Smithton Library will be having a Harmony Day celebration at Trawmanna. The event will be from 11am to 2pm with a gold coin donation for entry. The event is a good opportunity to come together, have a meal, meet new people and celebrate all the wonderful people in our community. People are encouraged to bring a plate of food to represent their nationality. As well as food and drinks, there will be music, dancing, face painting and a jumping castle.

Last week Cradle Coast NRM and Tasmania Parks and Wildlife Services held an information session about cat management in Stanley. Over the coming weeks, Parks and Wildlife Services will be conducting targeted feral cat trapping on the Nut to protect nesting and fledging seabirds, such as little Penguins and Short-tailed Shearwaters. To ensure the welfare of pet cats that may venture up the Nut during trapping activities, Council advises owners to Microchip their cats and fit them with collars and tag. These collars and tags are available at the Council office free of charge for Stanley cat owners. A discounted microchipping session, sponsored by RSPCA Tasmania, will be held in Stanley in April. For more information, visit www.tassiecat.com

A reminder that applications are open for Round One of the Community Small Grants Scheme.

If you're interested in applying for a grant for Minor Works, Culture and Events, Health and Well Being and Sport and Recreation, forms are available from the Council office or the website.

Applications close on 12 April 2019. Enquiries in regards to the Community Small Grants Scheme are to be directed to Amber Power on 6452 4864.
