

CIRCULAR HEAD MAYOR DARYL QUILLIAM'S MESSAGE 7 MARCH 2019

Tonight we will recognise the women in Circular Head for their contributions to our community at the Circular Head Soroptimist Awards. These awards are held each year as part of International Women's Day, which is on Friday. I'd just like to congratulate all those that have been nominated and best of luck to you all.

The Council is currently conducting a Waste Services Review, which will inform a five-year waste strategy and the levels of service provided to the community. Some of the key areas being considered in the review include kerbside collection areas, how green waste is managed, how and when Council communicate about waste management and reducing contamination in recycling streams. More information will be available as the review progresses, but if you have any feedback in this area, please send your comments to council@circularhead.tas.gov.au

Last week I met with members of the Circular Head Show Society, Lions Club and other locals to support a fodder Drought Appeal for the communities affected by drought in New South Wales. The group is preparing to deliver 600 bales of hay and silage from the port of Stanley via ship to drought affected communities in NSW. The Circular Head community has always been great in supporting those in need and I think this is another great initiative to get behind. If you'd like to donate your fodder, please contact Sally Elliott at the Tasmanian Liberals' Smithton Office on 6478 9545, Lions member Tony Hine on 0428 563 228 or Circular Head Agricultural Show Society member Sue Smedley on 0428 581 285. Monetary donations are also welcome and are being accepted at Treasure Chest and Circular Head Office Supplies.
